Chair

## Description

The chair Fyra, often matched with the dining table Spinnaker, has a metal structure that takes inspiration from the iconic chairs of the Scandinavian design of the Sixties: backside and seat have the same design and an upholstery, divided into four parts, characterizes this chair. The chair Fyra is available also with arms and it can be upholstered with leather or fabric. Fyra is presented with metal legs with shiny moka finish and with matt gold or brushed dark bronze details.
